Dear Community Member,

Pacific Northwest Cattle Dog Rescue (PNWCDR) is a small but mighty volunteer-powered and foster-based rescue. Over the past seven years, our network of dedicated volunteers and foster homes throughout Washington, Oregon, California, Idaho, New Mexico, and Texas have saved over 250 dogs.

With your help, we can continue and grow this life saving work. To know a herding dog is to love them all. These beautiful intelligent and rowdy dogs often find themselves misunderstood, and have an extremely difficult time in shelter environments. Our mission is to lower the euthanasia rates of these energetic dogs and have them live full happy lives by providing tailored care and the chance to know a loving home.

Funds raised will provide the necessary veterinary care, food, supplies, rehabilitation, and training to all dogs in our care. We stay committed to our dogs for their lifetime. Providing specialized healthcare and assessments when needed. Once adopted, we support adopters with educational resources, a community of herding dog families, and access to our network of trainers.

This sponsorship packet details all the ways you can participate in our Seventh Anniversary Celebration and beyond.

Your contribution will do so much - making all the difference in the number of dogs we save and the second chances they find in loving homes.

On behalf of PNWCDR, thank you for your consideration.

Best,

Marie Ackerman (she/her)

SUPPORT OPPORTUNITIES

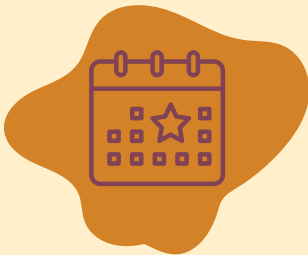

Online Auction Donations

Since 2022, online auctions have become a vital part of our fundraising efforts. We love that they allow us to highlight wonderful businesses in our community. Auctions are possible with donations of items, services, or experiences.

Complete our Online Auction Donation Form to participate!

- Complete form by Sunday September 14th for inclusion in our Seventh Anniversary Auction happening in July
- Later donation submissions are still extremely appreciated and will be featured in our future auctions.

Host a Pop-Up Event

Offer your space for an adoption event. Host an info table pop-up or item donation collection pop-up. These small couple hour events help us get dogs adopted, find fosters, and fundraise. We would love to work together to organize a future event.

Help Spread the Word

We are a small rescue and need help getting the word out and growing our community. Posting flyers or sharing on social media about our ongoing fundraising efforts helps so much.

You can submit your auction donations at pnwcd.org/auction-donation or contact auctions@pnwcd.org to arrange your donation.
